## INVITATION

### “GREAT DEVELOPMENT AND INVESTMENT FORUM: MONGOLIA - 2009” International investors’ forum

It is my honor to invite you to the “**Great Development and Investment Forum: Mongolia - 2009**” /GDIF/ to be organized within the framework of the “Industrialization year 2009”, proclaimed from the Government of Mongolia, as well as aimed at attracting foreign and domestic investment into the infrastructure and construction sectors of Mongolia. The event will take place at the Government house, on 9-10 April 2009.

GDIF is initiated by the construction information, research and promotion center - “Coordinate info” LLC, supported by the Ministry of Roads, Transportation, Construction and Urban Development, Foreign Investment and Foreign Trade Agency, the Mayor’s office and the Governor’s office of Capital city of Mongolia. The forum will bring together Government officials, international experts and advisors, foreign investors, professionals from banking and financial sectors as well as representatives from foreign and domestic enterprises operating in infrastructure and construction sectors.

Wide range discussions will be held on current situation and legal environment of infrastructure and construction sectors, investment opportunities and development challenges. Promotion of investment seeking projects and programs from the Government, Capital city, province and private enterprises will also be covered.

Furthermore, foreign manufacturers and businessmen are welcomed to display and promote their products and technologies at the “**Building and investment expo 2009**” international exhibition to be organized during the GDIF. We anticipate that almost every service, product and project of infrastructure and construction sectors of Mongolia will be introduced during the three-day expo.

We would appreciate your kind support by promoting the “**Great Development and Investment Forum: Mongolia - 2009**” international investors’ forum to relevant organizations and investors of your country.
